Product Name	Azelaic acid
CAS No.	123-99-9
QUSNTITY	
BATCH NO	
MANUFACTRE DATE	
REPORT DATE	
PRODUCT SHELF LIFE	

Chemical Composition	Standard (%)	Specimen (%)	Test Method
Appearance (25℃)	Flaky	Flaky	T07.00.010
Azelaic acid content, %	95.00-100.00	96.75	T07.04.001
Total dibasic acid content, %	99.00-100.00	99.67	T07.04.001
Monoacid content, %	0.00-0.05	0.02	T07.04.001
<C9DC, %	0.00-1.50	0.44	T07.04.001
>C9DC, %	0.00-2.50	2.48	T07.04.001
Acid value, mg KOH/g	575.0-595.0	591.8	T07.04.005
APHA color, Hazen	0-300	140	T07.04.004
Light transmittance, 440nm, %	94-100	98	T07.04.006
Light transmittance, 550nm, %	97-100	99	T07.04.006
Conclusion	PASS		
Noted	The above is the quality test report of this batch of products. The test items are to prove that the product complies with our company's product specifications. These tests do not guarantee that the product is suitable for any application beyond the scope of the product manual. We recommend that you implement your company's quality or testing standards to verify the data after receiving the product.
